Where the world relaxes atable

By Elizabeth Kelsey

A floating restaurant on the
pier, a cloth napkin in hand, a
bike tour through the island,
and a stay in a historic hotel...we
were overwhelmed by the
possibilities.Among the many
choices, we found ourselves
at the inn located in the heart
of the historic district in
Alexandria, VA. "The King of
the Potato" is an American
origin restaurant in the heart
of the city. It's a place where
you can enjoy a meal while
watching the world go by.

The inn is a perfect place for
relaxing after a long day of
tours and activities. It's
located just steps from the
Alexandria waterfront and
within walking distance of
numerous historic sites.

One of the highlights of our
stay was the restaurant's
incredible array of flavors.
The food was delicious, and
the service was excellent.

In the morning, we enjoyed
breakfast at the inn before
going out to explore the
surrounding area. The
breakfast was amazing, with
a variety of options to
choose from.

We also took a bike tour
through the island, which
was a great way to get some
exercise and take in the
beautiful scenery.

All in all, our stay at The
King of the Potato was
fantastic. We would highly
recommend it to anyone
looking for a relaxing and
delicious experience in
Alexandria, VA.
